

Lake Erie Nature & Science Center

WILDLIFE WISHLIST

Lake Erie Nature & Science Center serves thousands of people each year in addition to caring for our resident animals and wildlife rehabilitation patients. To provide the best possible service with the least amount of expense, we are asking for your help. Below is a list of items used on a daily basis to help fulfill our mission. As a non-profit organization, we rely on the generosity of the communities we serve to offer free general admission, nature-based education and wildlife rehabilitation services at no charge to the public. All donations are not only appreciated but crucial to our continued success. Thank you!

A DONATION OF:

\$50 feeds our Bald Eagle for one week
\$100 feeds our Skunks for one month
\$200 feeds one Great Horned Owl for one month
\$500 feeds our Box Turtles for one year

Monetary donations provide the best support for us to take care of our animals.

Lake Erie Nature & Science Center educates and inspires each of us to understand, appreciate and take responsibility for our natural world.
